

BUILT TO LAST, BUILT FOR LEARNING

logitech®

Schools can maximize their IT investment by choosing durable edtech and following simple maintenance and storage tips.

ANNUAL DEVICE SPEND FOR U.S. K-12 PUBLIC SCHOOLS

\$15.5
BILLION

\$306
PER STUDENT¹

Not all devices are created equal. **Spills** and **drops** can lead to devices breaking or wearing out prematurely, while **design flaws** can make them hard to maintain.

The right edtech purchasing choices can:

- ✓ Be Budget Friendly
- ✓ Reduce E-Waste²
- ✓ Decrease Tech Support Hours

Get the most out of your technology budget with Logitech's education-first solutions.

ZONE LEARN

A customizable wired headset that adapts to any learning environment

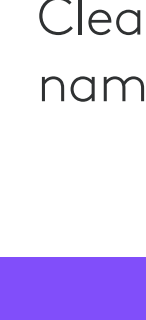

FEATURES

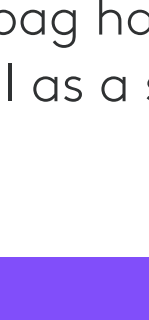

- ✓ Built to withstand drops up to 4 feet
- ✓ Interchangeable cords and connectors allow it to work with any device with USB-A, USB-C, or 3.5 mm AUX audio ports
- ✓ Lightweight headband arc and soft comfort layer, with weight distribution designed for smaller heads
- ✓ Padded leatherette on-ear or over-the-ear earpads and 360° micro-articulating cups for maximum comfort during the school day

MAINTENANCE TIPS

Industry-best wipe test performance. Tested to withstand 2,700 wipes at 350g of force (i.e., a lot!) — that's equivalent to

classroom sessions a day

classroom days a year

3

YEARS

When wiping cables and cords, grip the cord mid-way and pull towards the product, don't forcefully pull the cable away from the product or away from the computer

Replaceable ear pads and cables allow for easy repairs and upgrades year after year

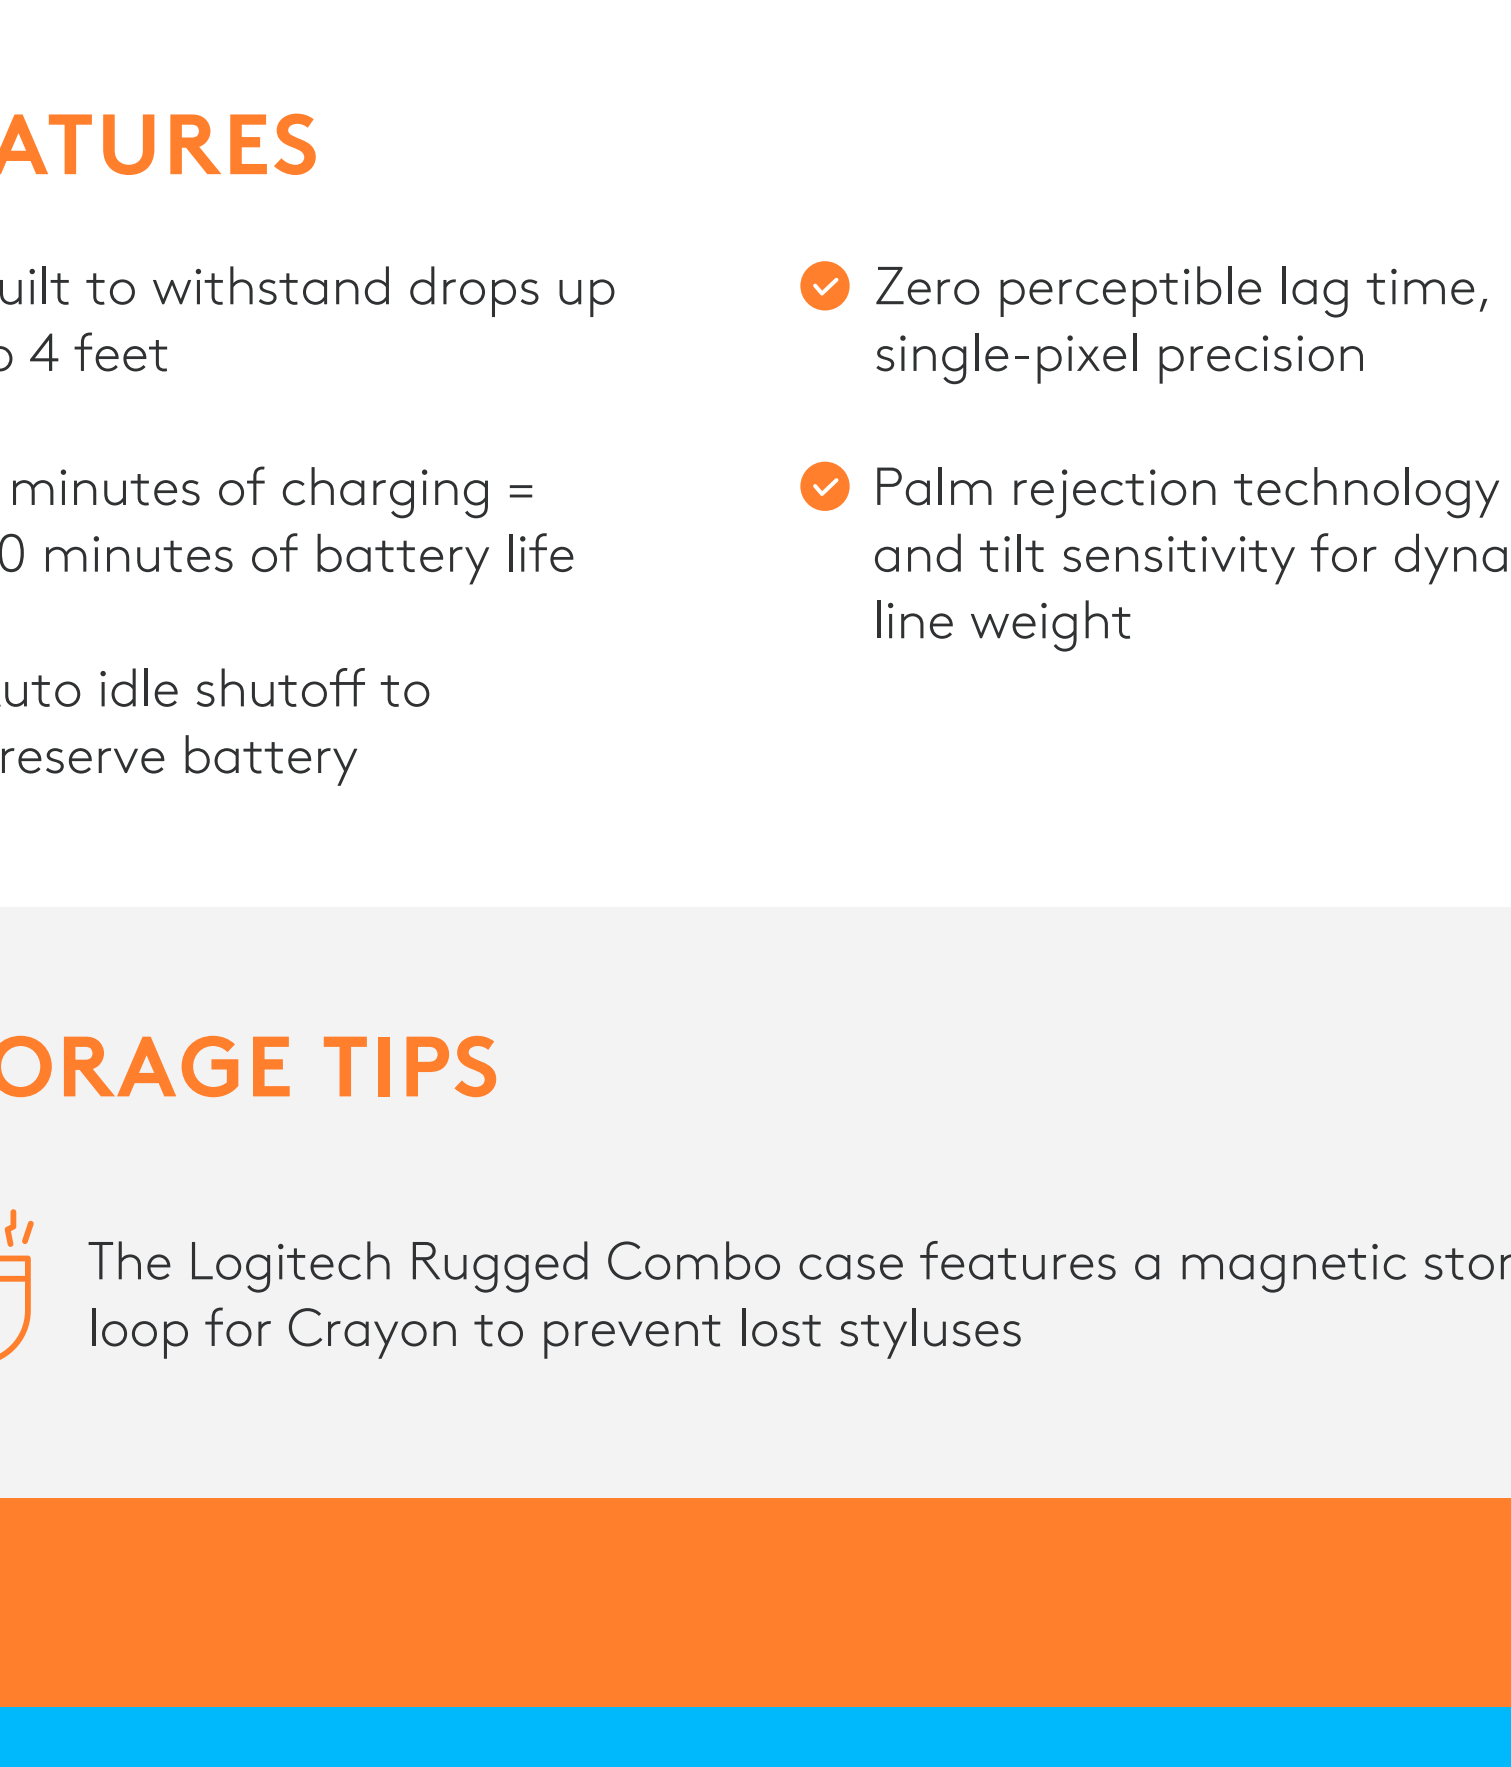

STORAGE TIPS

Clear, resealable storage bag has a space for a student's name and QR code as well as a scannable barcode

CRAYON

A pixel-precise digital pencil for iPad® with a Lightning charge port

FEATURES

- ✓ Built to withstand drops up to 4 feet
- ✓ 2 minutes of charging = 30 minutes of battery life
- ✓ Auto idle shutoff to preserve battery
- ✓ Zero perceptible lag time, single-pixel precision
- ✓ Palm rejection technology and tilt sensitivity for dynamic line weight

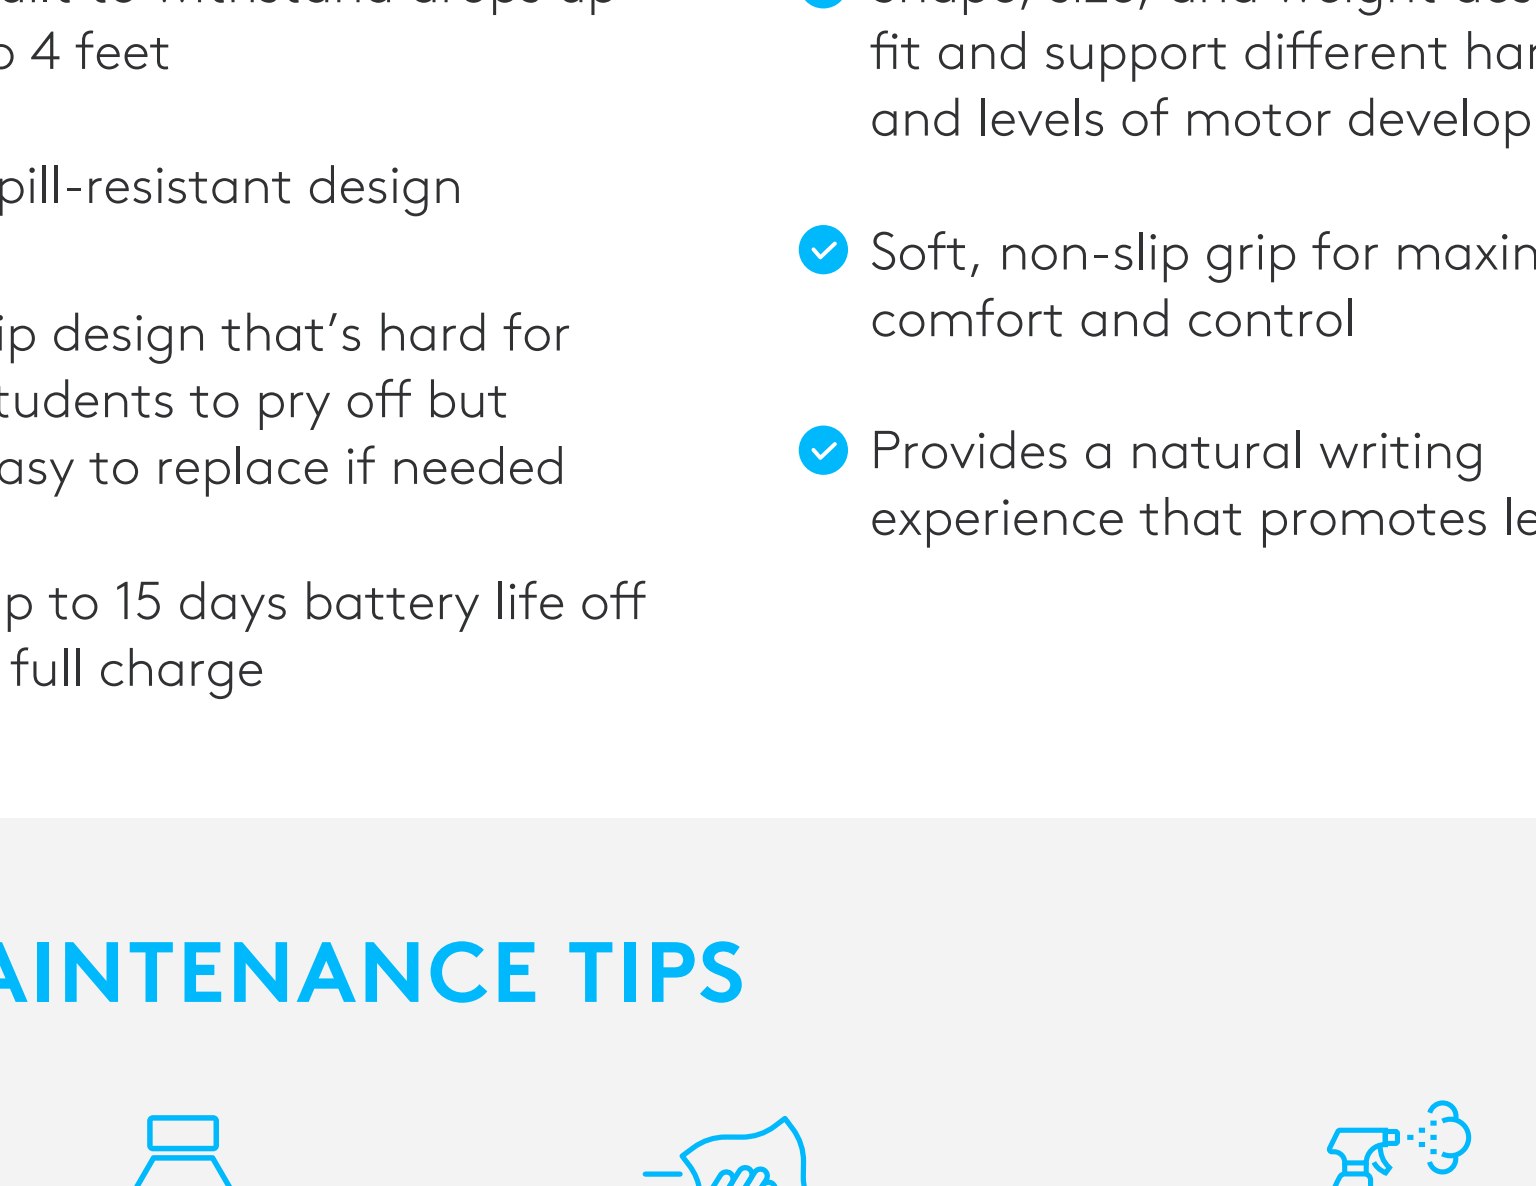

STORAGE TIPS

The Logitech Rugged Combo case features a magnetic storage loop for Crayon to prevent lost styluses

PEN

A USI-enabled Chromebook stylus built for long-term value

FEATURES

- ✓ Built to withstand drops up to 4 feet
- ✓ Spill-resistant design
- ✓ Tip design that's hard for students to pry off but easy to replace if needed
- ✓ Up to 15 days battery life off a full charge
- ✓ Shape, size, and weight designed to fit and support different hand sizes and levels of motor development
- ✓ Soft, non-slip grip for maximum comfort and control
- ✓ Provides a natural writing experience that promotes learning

MAINTENANCE TIPS

Tip is replaceable to extend lifespan

Industry-best wipe test performance

Streamlined design allows for easy cleaning

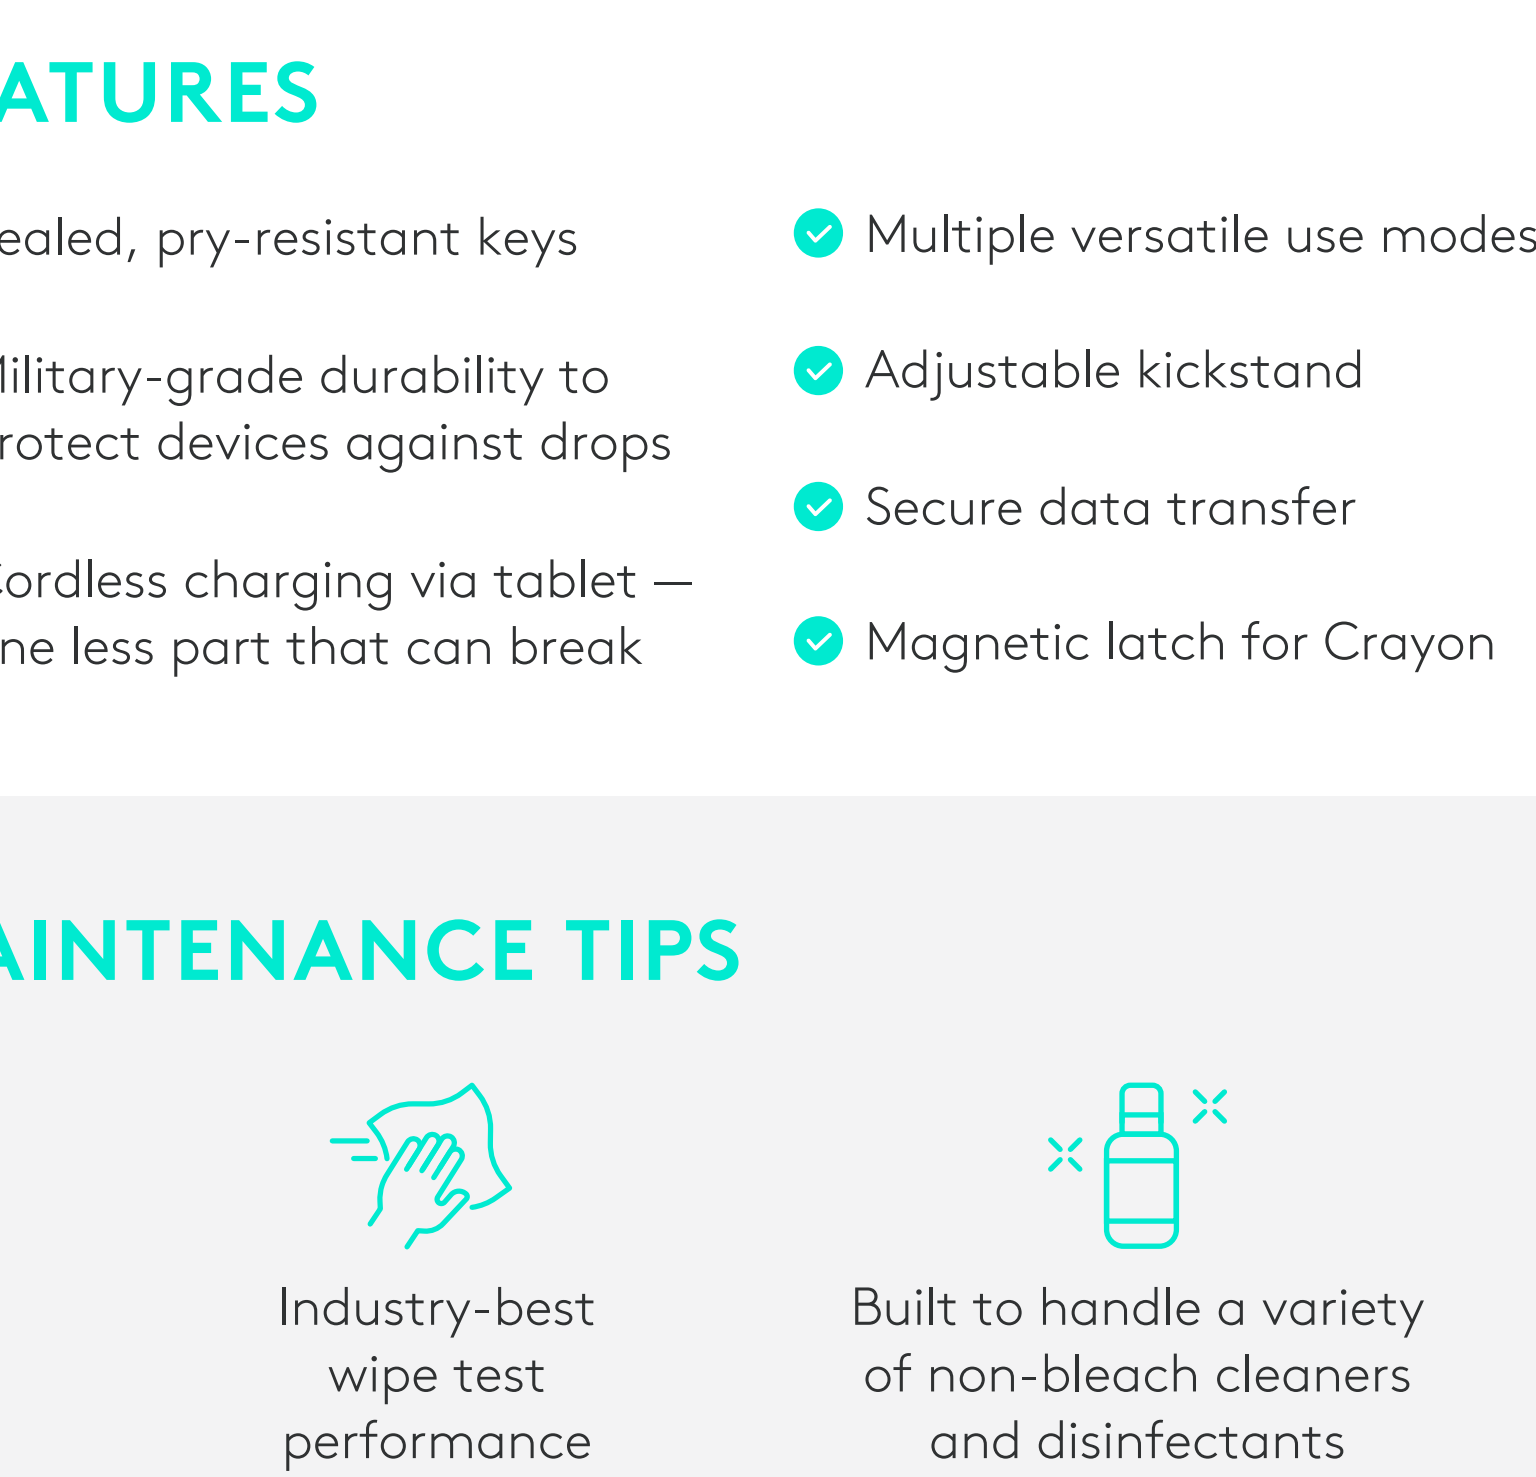

STORAGE TIPS

Peel-and-stick storage loop prevents lost styluses by keeping Pen securely attached to students' Chromebooks

RUGGED COMBO

A slim, protective keyboard case that follows students wherever they go

FEATURES

- ✓ Sealed, pry-resistant keys
- ✓ Military-grade durability to protect devices against drops
- ✓ Cordless charging via tablet — one less part that can break
- ✓ Multiple versatile use modes
- ✓ Adjustable kickstand
- ✓ Secure data transfer
- ✓ Magnetic latch for Crayon

MAINTENANCE TIPS

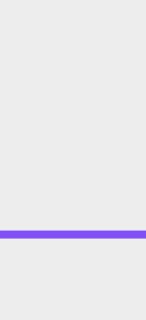

Industry-best wipe test performance

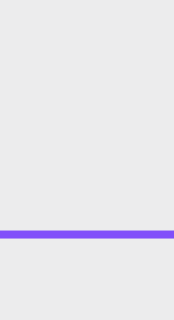

Built to handle a variety of non-bleach cleaners and disinfectants

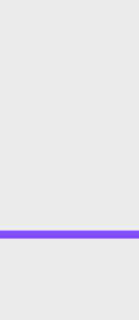

STORAGE TIPS

Vertical stacking can minimize weight and pressure on units and reduce risk of damage

Close the case with the magnetic latch in place when not in use

To avoid damage, don't place objects between the iPad and keyboard when closing the case

For general tips on keeping your Logitech products in good shape, see our [cleaning page](#).
