

PERSONAL COLLABORATION SOLUTIONS FOR BUSINESS: GOOGLE WORKSPACE

THE NEW PERSONAL WORKSPACE

As the workforce redistributes into a more lasting hybrid model, a one-size-fits-all workspace solution does not exist. That's why Logitech creates human-centered technology solutions that help people create and collaborate effectively from anywhere. Our joint solutions enable simple and optimized usage of the Google Workspace app suite to help your team do their best work while enjoying a more inclusive and satisfying work experience.

As a trusted leader in enterprise technology solutions, we understand the challenges that your company faces. We strive to present innovative solutions that are easy to set up and use, simplifying the manageability challenges created by a distributed workforce, with a security-first mindset that spans hardware and cloud.

LOGITECH ADVANTAGE

- **EQUITY:** Our solutions unleash a more inclusive and equitable work experience for all.
- **PERFORMANCE:** Different types of work require different tools; we design with the end user in mind.
- **COLLABORATION:** We enable authentic connection and co-creation, fueling healthy hybrid cultures.
- **COMPATIBILITY:** Our plug-and-play solutions are certified for Google Meet, Google Voice, and Works With Chromebook.
- **SECURITY:** Our ecosystem is designed with security and manageability in mind, keeping power in IT's hands.
- **SUSTAINABILITY:** We are committed to doing right by the planet in everything we do.

THE COMPLETE PERSONAL WORKSPACE SOLUTION

Everything you need to equip employees for a productive workday from anywhere.

PRODUCTS

Logitech has an extensive product suite to improve productivity within Google Workspace and across the hybrid workplace.

Docking Station >>

Presentation Devices >>

Mice >>

Keyboards >>

Headsets >>

Webcams >>

LOGI BOLT TECHNOLOGY

Logi Bolt combines Bluetooth Low Energy wireless technology Security Mode 1, Security Level 4 with additional FIPS-compliant Logitech security features to reduce vulnerability when devices are paired to a Logi Bolt USB receiver. This ensures a secure wireless connection between peripherals and devices, so employees can be assured they are interacting with Google Workspace apps in a secure manner.

- Connect via **Bluetooth** or **Logi Bolt USB receiver**.
- Compatible with most operating systems, including **ChromeOS**.
- Pair up to six mice and keyboards to one receiver.

SOFTWARE

Logitech software enhances the manageability of our products, so IT can better manage the distributed workforce. Logitech software also gives employees the option to customize their products to better suit each individual workflow.

Logi Tune >>

SERVICES

Logitech services provide peace of mind. With comprehensive service plans and extended warranties, our solutions will do the job right, or we will make it right.

Extended Warranty >>

Logi Dock is an all-in-one docking station with meeting controls and a built-in speakerphone that works seamlessly with Google Meet. Join meetings with one touch, mute and unmute your microphone and camera, and connect desktop peripherals for more productive workdays.

DECLUTTER THE DESKTOP

Logi Dock connects up to five USB peripherals and up to two monitors¹ while offering laptop charging up to 100 watts. With fewer cords and dongles, Logi Dock makes room for cleaner workspaces and better workdays.

¹ USB to DisplayPort adapter is required to support dual Mac monitors with screen extension.

PRESENTATION DEVICES

Discover our advanced digital pointers for in-person, virtual, and hybrid work. Compatible with Google Slides.

SPOTLIGHT PRESENTATION REMOTE

Spotlight is designed to keep people engrossed. With three advanced pointing modes, presenters can engage the audience, even in a hybrid workspace.

R500s PRESENTATION REMOTE

The R500s enables impactful presentations with slide navigation up to 65 feet (20 meters) away from the computer and a red laser pointer for emphasis.

WEBCAMS

Supply your team with Logitech webcams to help them collaborate from anywhere using Google Meet. Show your employees in their best light without worrying about deployment or compatibility.

BRIO 305

Give employees a simple-to-use webcam for better collaboration. Brio 305 is certified for meeting platforms and offers 1080p resolution, so you can deploy it with confidence to workstations and WFH employees. Made with a minimum of 48% recycled plastic.

BRIO 505

An easy-to-use webcam offering Show Mode to enable the sharing of real-life projects and notes on the desktop, along with easy IT management. The Brio 505 webcam features auto light correction, 4X digital zoom, variable field of view (90°/78°/65°), and dual noise-reducing mics.

BRIO

Premium 4K webcam with HDR and Windows Hello support. Packed with innovative technology, this webcam adjusts to accommodate any lighting condition. The Brio webcam features 5X HD zoom, variable field of view (90°/78°/65°), and dual stereo mics.

C920e

Look professional from anywhere with this 1080p business webcam that's easy to use and perfect for mass deployment. The C920e webcam features 78° field of view and dual stereo mics.

C925e

Enhanced 1080p business webcam with HD autofocus for true-to-life clarity. The C925e delivers professional quality video for all-day use with H.264 support, 78° field of view, and dual stereo mics.

C930e

An advanced 1080p business webcam that delivers high-resolution video in virtually any environment with H.264 support. The C930e webcam features 4X HD zoom, 90° field of view, and dual stereo mics.

MICE AND KEYBOARDS

Logitech makes it easy to equip your entire team with keyboards and mice, whether they work from home, in the office, on-the-go, or any combination of the three. Our plug-and-play solutions just work, simplifying setup for your employees and lessening the load of IT administrators. Many of our devices are certified for Works with Chromebook and make interacting with the Google Workspace suite even easier. Equip your team with mice and keyboards to improve employee experience and create a more productive personal workspace.

MICE AND KEYBOARDS CONT.

ERGONOMIC

THE ERGO SERIES FOR BUSINESS

ERGO K860 SPLIT KEYBOARD FOR BUSINESS

A science-driven, ergonomic keyboard that promotes a more relaxed, natural typing experience designed for hours of comfortable use.

LIFT FOR BUSINESS

An approachable, inviting, and easy-to-use vertical mouse, ideal for small to medium hands. It's designed for comfort and well-being at the desk to help people feel better while working.

M575 WIRELESS TRACKBALL FOR BUSINESS

With science-driven design and easy thumb control, this wireless trackball mouse is engineered to reduce hand movement, providing hours of comfort.

MAINSTREAM

THE SIGNATURE SERIES FOR BUSINESS

SIGNATURE MK650 COMBO FOR BUSINESS

Designed for all-day comfort. The keyboard's integrated palm rest and familiar keystrokes complement the soft thumb area and rubber side grips of the mouse, all helping to make working hours feel less like work.

SIGNATURE M650 FOR BUSINESS

With smarter scrolling and comfortable grip, this wireless mouse is designed to improve productivity, comfort, and overall employee experience.

HEADSETS

Help employees block out distractions and get work done wherever they are. Logitech headsets are certified for Google Meet and Google Voice, so you can trust they will fit into your Google Workspace ecosystem.

ZONE TRUE WIRELESS

Bluetooth earbuds that provide outstanding audio quality while keeping out unwanted noise with advanced beamforming technology and hybrid ANC.

ZONE WIRELESS (PLUS)

Bluetooth headset designed to help your team work from anywhere with exceptional sound, flip-to-mute mic, and Qi wireless charging. ANC helps reduce distractions even in noisy workspaces. Seamlessly switch between smartphone and computer. Zone Wireless Plus includes a Logitech Unifying receiver, which can connect up to six Logitech Unifying wireless peripherals.

ZONE WIRED

USB wired headset that delivers premium audio for focus time and reliable call clarity with noise-canceling dual mic technology. Generously sized 40 mm drivers deliver full-bodied bass to create satisfying sound for video calls.

ZONE WIRED EARBUDS

Wired earbuds with noise-canceling, boomless dual mic technology that captures voice in complete clarity. Stay connected with convenient plug-and-play connections: 3.5 mm, USB-C, and USB-A.

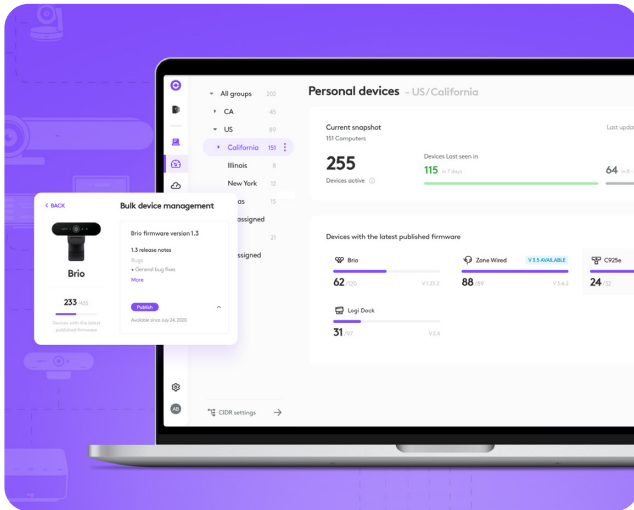

ZONE VIBE WIRELESS

This wireless headset is professional enough for the office and casual enough for working from home with dual omni-directional mics and beamforming technology to reduce distracting noises. Zone Vibe Wireless offers multi-point *Bluetooth* and battery life that provides up to 18 hours of talking time on a single charge.

SOFTWARE

Software enhances Logitech products by ensuring a consistent, unified, and customizable experience across the distributed workforce.

MANAGEABILITY

LOGITECH SYNC

Sync works alongside your service provider admin tool to help you deploy and manage your entire device ecosystem. Whether employees are in the office, at home, or somewhere else, Sync helps everyone stay connected by ensuring their Logitech personal workspace solutions are healthy and up to date.

Integration with Logi Tune allows you to update webcams, headsets, and Logi Dock devices connected to personal computers at remote locations or office desks.

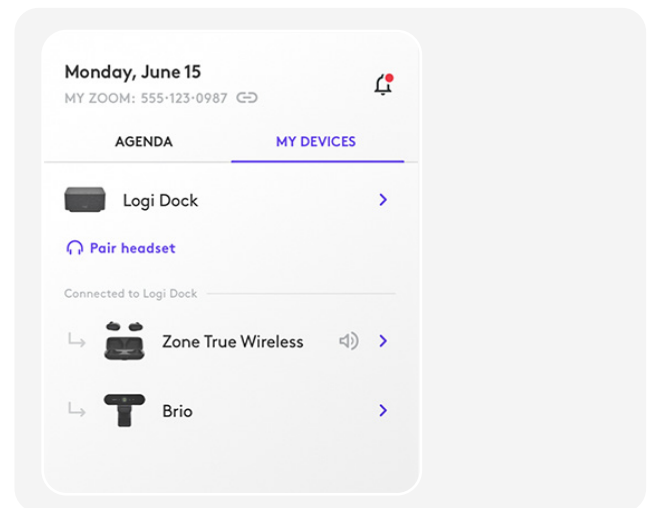

Logitech Sync also allows you to track device usage so you can better understand how devices are used and then optimize your future purchases.

CUSTOMIZATION

LOGI OPTIONS+

This is the powerful, easy-to-use, next-gen application that enables customization for Logitech mice and keyboards so your team can work how they want.

LOGI TUNE

This app puts webcam, headset, and Logi Dock settings at the user's fingertips for more focused and productive collaboration.

SERVICES

Our solutions will do the job right, or we'll make it right.

EXTENDED WARRANTY

With an extended warranty,³ your Logitech purchases are protected against defects for up to five years from the purchase date. Extended warranties are available for either one year or three years beyond the original Logitech manufacturer's limited two-year warranty.

³ Terms and conditions apply. Not available in all countries. Contact your reseller.

ELEVATE YOUR PERSONAL WORKSPACES

Logitech designs personal workspace solutions that make equitable working experiences possible for everyone. We help teams work better together, from anywhere, without compromising on quality, productivity, or the creativity that comes from collaboration using Google Workspace.
