

# Logitech iPad Solutions for Education

**Logitech accessories enhance Apple® experiences—  
and that’s completely by design.**

In fact, we’ve been designing solutions for Apple products for over a decade. The result is a suite of tools that elevate every Apple experience with more functionality, more customization, and more comfort. Logitech’s Rugged Combo keyboard cases and Crayon digital styluses are built to pair with each other. Rugged durability and seamless design? That’s what we call a perfect combo for students of all ages.

## LOGITECH CRAYON

Support creativity and precision for students in all levels and areas of study.

- ✔ **Made with Apple Pencil® Technology**
- ✔ **No pairing needed, just turn on and go**
- ✔ **Compatible with iPad and all Apple Pencil compatible learning apps**

# EXPRESSLY FOR EDUCATORS

Educators need solutions that enable them to feel comfortable, focused, and prepared to do everything they can for their students. The Combo Touch and Folio Touch are built to work in any environment, with four use modes that allow you to type, edit, sketch and read, anywhere. A slim, lightweight design and an ergonomic keyboard empowers educators with the comfort to do anything, in and out of the classroom.
