RUGGED LITE

Giving students the power to type, create and thrive while protecting their iPads at every step

DESIGNED FOR LEARNING

Rugged Lite is an indispensable tool for the classroom and beyond. This protective case allows students to get more done on iPad with a pluck-proof keyboard, iPadOS shortcut keys, and an optimal angle for typing and viewing. Intuitively designed with auto on / off function, reliable Bluetooth LE connection and military-grade drop protection (1.2 m), Rugged Lite is a dependable classroom companion for iPad.

Rugged Lite allows learners to Type / View, Read and Sketch naturally. For Type / View modes, the case locks at an optimal 63-degree angle; flip the keyboard back and easily Sketch or Read

MEET RUGGED LITE

PLUCK-PROOF, SEALED KEYS

Full size keyboard with sealed, pluck-proof keys that resist fidgeting fingers, spilled liquids, and can be easily wiped clean.

MILITARY GRADE DROP PROTECTION

Designed to withstand drops and tumbles, Rugged Lite meets military standard drop protection of 1.2 metres (4ft).

RELIABLE BLUETOOTH CONNECTION

Advanced Bluetooth LE wireless provides a reliable, energy-efficient connection, and only needs to be set up once.

EASY TO CLEAN MATERIAL

Designed with a smooth and stain resistant PU material, providing an easy to clean and wipeable surface.

SMART CASE

Simply open up or close Rugged Lite's smart cover to turn the keyboard and iPad on or off.

A COMMITMENT TO EDUCATION

At Logitech, we are curious lifelong learners, constantly questioning and inventing. We are relentless in our pursuit of tools that make an impact.

This passion drives us every day to design innovative products that create transformational and accessible experiences for students, teachers and schools.

Supporting education is inherent to our mission as we know that today's students are tomorrow's innovators.

Every Logitech education product has been designed with the needs of schools and students in mind. When you choose Rugged Lite, you can count on:

RUGGED DURABILITY

Meets military standards for drop protection, withstanding falls up to 1.2 m (4 ft). And, it's spill resistant too.

ASSET TAG VIEWER

Enables easy device management and labeling with a large asset viewer on the back of keyboard case.

SMART POWER MANAGEMENT

When in Type / View mode, iPad and keyboard automatically turn on, and when the cover is closed, iPad and keyboard automatically shut off.

PENCIL LOOP FOR STORAGE

The built-in loop for Logitech Crayon or Apple Pencil ensures students always know exactly where their tools are.

2-YEAR WARRANTY WITH CUSTOMER CARE SUPPORT

Our products are designed to work without fail, but should a problem occur, we've got your back.

COLLABORATE WITH CRAYON

Crayon can open doors for student-to-student collaboration, working alongside a growing list of digital apps. With classrooms becoming more and more paperless, it's a valuable tool.

WHY IT MATTERS

With the power of a physical keyboard, students **type quickly, easily and accurately** thanks to comfortable, well-spaced keys.¹

Angled typing position supports students' health and well-being by **reducing up to 60 lbs of force on the neck.**²
