LOGITECH USB HEADSET H650e

Enjoy USB plug-and-play connectivity using a flat, notangle cable. Plus, advanced business certifications and enhanced integration with popular calling platforms¹ ensure a seamless meeting experience with any video conferencing application — including the ones you are already using.

The Logitech H650e Headset delivers functionality and style. This is a professional headset with digital signal processing, acoustic echo cancellation, wideband audio, dynamic equalizer, and a noisecancelling mic. It's all intended to make your calls as productive and comfortable as possible.

Perfect for people who need a headset for making calls from their computer, the Logitech H650e Headset has intuitive in-line controls for adjusting volume and a bright LED light that lets others know you're on a call.

KEY FEATURES AND PRODUCT SPECIFICATIONS

- 1 In-line controls** allow you to easily answer/end calls, adjust volume up/down, and mute/unmute calls.
- 2 LED indicator lights** provide visual confirmation of in-call status, mute, and incoming calls.
- 3 Acoustic echo cancellation and noise-cancelling microphone** optimized so you can hear and be heard in noisy workspaces.

| | | | | | |
|-------------------------------|--------------------------|---|---|---------------------------------------|---|
| Connectivity | Type | USB-A | | | |
| Audio | Microphone type | Bi-directional ECM noise-canceling mic | | | |
| | Flexible mic boom | Rotate the boom up or down and bend it left or right to move it closer to your mouth. | | | |
| | Sound quality | True wideband audio and digital signal processing (DSP) | | | |
| | Acoustic protection | Protection against sounds above 115dBA; compliant with EN60950-1 | | | |
| Ease of use | In-line controls | Answer/end calls and adjust the volume with in-line controls. The volume-up button is built higher than the others, allowing you to control the call without looking away from your work. | | | |
| | Mute status | Mute/unmute calls from the in-line controller. A red LED light that can be seen while wearing the headset provides visual mute status. | | | |
| | In-call indicator light | An LED indicator on the back of the boom provides a visual alert to those behind you that you are on a call. | | | |
| | No-tangle cable | A flat and flexible cable resists tangles so you never get tied up on a call. | | | |
| | Business grade materials | Padded leatherette headband and ear pads as well as strong TR90 nylon construction, a more durable material than ABS, with a higher level of resistance to everyday chemicals including hairspray and sunscreen. | | | |
| Certified for Business | Certifications | Certified for Skype for Business and Cisco Jabber® ¹ . Also compatible with other popular calling platforms such as BlueJeans, BroadSoft®, Google Voice™, GoToMeeting™, Microsoft Teams®, Vidyo™, and Zoom™. | | | |
| General | Part number | H650e Mono: 981-000544 H650e Dual: 981-000545 | | | |
| | Dimensions & weight | H650e Mono 174 x 165 x 50 mm (6.75 x 6.5 x 2 in) 93 g/3.3 oz | H650e Dual 174 x 165 x 50 mm (6.75 x 6.5 x 2 in) 120 g/4.2 oz | Cable Length 2.1 m (6.9 ft) | Packaging 185.3 x 202.5 x 62.5 mm (7.1 x 8 x 2.5 in) 175 g/6.2 oz |
| | What's in the box | Headset with in-line controller, quick start guide, warranty info, carrying bag | | | |
| | Warranty | 2-year limited hardware warranty | | | |
